## IRRWS

**Mission :** Is to aware the rural people about their Health, Education and basic rights, assists them to recognize and improve their potentialities through skill formation, knowledge sharing and transfer of technical know how, guide them to generate economic benefit for promoting sustainable development in rural economy.

**Vision :** In the 21<sup>st</sup> century **IRRWS** is poised to be the pioneer for resource center assuring progress and success. **IRRWS's** vision is to achieve a value-oriented sustainable society based on social-orientation, economic growth, local capacity building and empowerment of people for a complete social transformation.

- Goal :**
- to offer opportunities for personal growth and development, skill enhancement by providing technical and vocational skills.
  - to motivate and recognize each persons efforts and achievement so that one can recognize ones own worth.
  - to empower the poor and marginalized communities through economic and development .
  - to provide ongoing support system and services to the target group beneficiaries through efficient and readily availably management information system.
  - to reach out poorest and underprivileged section of the society for self reliance in health, education and economic prosperity.

## **: OVERVIEW :**

*IRRWS completed 27 years as a social welfare organisation in the year 2022. It has been a journey of innovation and ideas. It has stood for and promoted grass root empowerment rural development, economic furtherance with democratic governance. These 27 years of IRRWS have had their share of both frustrations and stimuli. Most daunting has been the continued inability to address fundamental problems of injustice, inequality and deprivation in our society. Solutions that appeared to be relevant earlier, seems irrelevant today. The complexity of causes underlying these problems has increased. So the constant innovations are very much essentials today. Though there have been several hindrances in its way but IRRWS has achieved a significant success in its missions.*

*This **ANNUAL REPORT** describes a whole range of initiatives and programmes that IRRWS has been involved in during the year **2021 -2022***

## **: BIRTH :**

*The organisation **Islampur Ramkrishnapally Rural Welfare Society [ IRRWS ]** was founded in March 1995 with some energetic young youth, dedicated social workers, educators, volunteers and retired government officials. Uttar Dinajpur district is one of the most backward district in all respect in West Bengal and there was no platform to address issues of rural and urban development. Thus the concept of IRRWS and It is a neutral platform for multi-sectoral development. IRRWS is a registered non-profit voluntary organization in West Bengal of India.*

## **Organizational Linkages & Capacity :**

*IRRWS works exclusively for the development of the most needy rural poor with non-profit making, non-political and non-religious character. It regularly submits its reports to all the concerned authorities and maintains maximum accountability and transparency in its activities, programmes, accounts etc. So far it has maintained a good work relationship with all the Government departments and other institutions which extended financial as well as organisational development support to IRRWS for its programmes and activities. The organisation also networking more than 200 voluntary organisations all over in India including some national level and International level Organisations. The society has bank accounts and capable accounts to account for the financial transactions systematically. The field staff are young people and also committed to execute the work in time with required spirit. Hence we are confident to implement any project however big they are in terms of financial capacity or activity wise.*

## **The Infrastructure :**

*IRRWS have its registered & administrative office at Ramkrishnapally of Islampur of Uttar Dinajpur district, in a rented building to Implement and monitor programme activities in all 9 Blocks of Uttar Dinajpur District. The field office at Raiganj is in a rented building to monitor the programme activities in 4 blocks of Uttar Dinajpur. There is the well-furnished computer system in the administrative office as well as field office along with a systematic Information , Education and Communication (IEC) facilities such as Projector, Sound Systems, telephones, fax, and e-mail. We could make the best use of the computer system in documentation and preparing all reports systematically. The organisation have its own land.*
